This subdivision is subject to the provisions of Idaho Code Section 21-2008 regarding the delivery of irrigation water.
Let this platfile with uniform to the appropriate orders of the City Zoning Ordinance.

HEALTH CERTIFICATE

Sanitary restrictions as required by Idaho Code Title 20, Chapter 22 have been satisfied based on the State of Idaho Department of Environmental Quality (DEQ) approval of the final plan and specifications and the conditions imposed on the developer for restricted activities of the sanitary restrictions. There is additional that of the State of Idaho Department of Environmental Quality (DEQ) was completed. Building construction may be allowed with appropriate building permits if existing water or sewer facilities have been constructed or if the developer is constructing new water or sewer facilities. The developer shall maintain records of all the sanitary restrictions of DEQ. These sanitary restrictions may be relaxed, in accordance with ID 20-18, Idaho Code, at the discretion of a certified engineer, upon an evaluation of any building or other development/activities under an appropriate building permit as allowed.
