

BLM Permits

This sale does not transfer any grazing permits that are currently associated with the base property. It is the buyer's responsibility to go to the Vale Oregon District Office of the Bureau of Land Management. The property transferee has 90 days from the date of the sale to make application for the grazing permits. There are 4,197 AUMs attached to this permit; 2,006 in Louse Canyon; 1,745 in Star Valley, and 446 in Quinn River Allotment. The transferee will also accept all range improvement projects and coop agreements that are assigned to that permit. The improvement projects are:

Springs – 11 each;
Reservoirs – 7 each;
Cattle Guards – 2 each;
Fence maintenance – 25 miles; and
Wells – 2.
